ROSE PRE-ORDER FORM

2016 is almost here! This is the time of year for gardeners to start thinking about what roses they would like to plant in the spring. Here at U&D, we have catalogs for our 2016 roses.

This year we are offering a 2016 rose pre-order form at our store and on our website. These are the new policies for all rose pre-orders:

1. The orders must be placed between October 2nd and December 20th. Please make sure your form is completely filled out and your preference of bare-root or potted is specified.
2. Pre-orders require a \$10 non-refundable deposit per plant.
3. Bare-root orders must be picked up by February 20th. Potted orders must be picked up by March 20th. Please call to let us know when you are coming, so we can pull your order and have it ready. Due to space constraints we are unable to hold them for any longer than this.
4. Any order not picked up by the specified date will be put back in stock and the deposits will be forfeited.

Disclaimer: We are not to be held responsible for anything that is beyond our control, including but not limited to, acts of nature. We give no warranty, express or implied, as to life, description, or productiveness of any stock we sell once out of our care. We exercise care to have all stock be true to name, however it is understood that should any stock prove untrue to name, we shall be liable only for the sum paid for stock which may prove untrue to name and not for any greater amount.

Thank you for your understanding in this matter and we hope this turns out to be your best gardening year to date!
