PRE-ORDER FORM

2016 is here! This is the time of year for gardeners to start thinking about what they would like to plant for the season. Here at U&D, we have catalogs for most of our edible plants. We have had to make some changes in our policies so that people can continue to pre-order our plants and vegetables which, hopefully, will;

1. Make it less chaotic for all, customers and staff.
2. Let us continue to allow people to pre-order through the mail and over the phone.
3. Allow us to continue to give the best customer service we can.

This year we are offering a 2016 pre-order form on our website and at our store. These are the new policies for all vegetable pre-orders:

1. The orders must be placed between February 15th and April 15th. Please make sure your form is completely filled out.
2. Pre-orders require a 50% non-refundable deposit. This is the same for all special orders.
3. Orders must be picked up between May 1st and May 15th. Please call to let us know when you are coming so, we can pull your order and have it ready. Due to space constraints we are unable to hold them for any longer than this.
4. Orders not picked up by the specified dates will be put back in stock and the deposits will be forfeited.

Thank you for your understanding in this matter and we hope this turns out to be your best gardening year to date!
